**Art & culture is the life breath of any civilization. We have a great tradition of art interweaving with culture highlighting the glory of our civilization. We have a plenty of art in national level among which most of them may be originated as an indigenous art form of a particular region.**

**Mohiniyattam is a graceful indigenous art form of Kerala which had a history of centuries back. Mohiniyattam literally means “Dance of Enchantress”. It features delicate, feminine movements, intricate foot work and grateful hand gestures. Rooted in ancient Hindu texts and traditions, it embodies the Lasya Style, a gentle and graceful aspect of dance, and draws themes from mythology, nature and Keralas folk tales.**

**Central Sanskrit University, Guruvayoor Campus is organizing a Six Day National Workshop on Mohiniyattam from 06.10.2025 to 11.10.2025 in the campus. The veteran artist Guru Smt. Pallavi Krishnan given consent to inaugurate the function. The various scholars and performers in this branch of dance will shower their views to enrich the academic discourse in the workshop.**

**Participation through registration only.**
